

# Journey Ahead!!

Ashok Shyam<sup>1,2</sup>

Trauma International marches ahead with full determination to contribute in the field of trauma thankful to the authors who are contributing to the journals work and we are sure this response continue in the future too. We thank authors for their contribution in the May-December 2019 issue of Trauma International. This issue contains case reports on Occult Femoral Neck Fracture, Bilateral Uncemented Hemiarthroplasty, Bilateral femoral neck fracture in pregnancy and the review article on Galeazzi fracture associated with an ipsilateral fracture of ulna diaphysis and olecranon. We appreciate efforts of authors and hope for more contribution in the field of orthopaedic literature.
