

## From The Editor's Desk!!

Ashok Shyam<sup>1,2</sup>

We thank authors for their contribution in the July-December 2020 issue of Trauma International. This issue contains articles on operative treatment of distal femur fractures using retrograde intramedullary nail versus locking plate, Relationship between Vitamin D Level and Hip Fractures, Tranexamic Acid in an Accident & Emergency Department, Chronic osteomyelitis, Cannulated Cancellous Screw and Ender's Nail Fixation in Stable Intertrochanteric Femur Fracture, Conservative and Surgical Management of Displaced Midshaft Clavicle Fracture, Tibial Plateau Fractures. We appreciate efforts of the authors and hope for more contribution in the field of orthopaedic literature in the coming years.
